EPIC

A JOURNEY THROUGH CHURCH HISTORY

Do you know your story? Church history is not just a collection of dates and deeds of past events; it is the amazing story of God working through saints and sinners to fashion the greatest civilization in world history. Knowing our story is crucial because the past provides meaning to the present, and the present determines the future.

Epic: A Journey through Church History, helps you understand the true story of our Catholic heritage. This exciting study takes you on a journey through the main events in Church history, culture, and politics, as well as the popes, martyrs, and saints.

Come experience an exciting one day “crash course” that will give you an overview of Church history and help you to know the story.

About Steve Weidenkopf
